Arrest Hitler

quotes. Nasty shit
& then the slug

line -Adolf Hitler. Re-
flecting our leaders?

Big deal! Let's be-
lay the HISTORY
schtick. Who needs

old hat? Comic,
if murderous,

assholes? We got
among us state
of the art!

For coming Nuremberg
I propose Las Vegas.

T&A by the way
of sleaze that's

American Justice
to most citizens,

who can't buy
quite enough.

Perfumed crotches
& gluttonous buffets,

plus "shows" headlined
by zombie hasbeens.

& what's easier to
understand than everything

's for sale? The very air
a shaking foil of dollar signs.

& so hot the dump-
sters really stink.
Immediate & American.
